

Welcome to Kindergarten

Assalamu Alaikum Parents and Guardians of IANE and Ramadan Mubarak,

I pray that your fasting and good deeds will be accepted this Holy month of Ramadan. I look forward to seeing the enthusiastic and smiling faces of your children on August 23. We will start the school year with many activities around the month of Ramadan to add to the knowledge you have been teaching them. I anticipate a new school year full of many outstanding learning experiences and opportunities to cultivate new friendships.

My name is Souheir Mond and I am going to be your child's Kindergarten teacher this year! Kindergarten is a time of new beginnings, of making friends, and of learning lots of new things each and every day. Our days and weeks will be filled with many wonderful experiences and opportunities for learning and growing.

We will learn all about letters and sounds, and will be doing lots of writing activities, too. We will also be learning all about numbers, building on important math concepts including sorting, counting, graphing, classifying, patterns, time and money, measurement, and addition and subtraction. The children are always proud of the work they create and are anxious to share their new skills.

Families can help at home by reading to and with their child daily, and encouraging them to write and draw. Young children learn as they play and their play is their work. Research has proven this so. In this context, your child will be learning all

of the time this year as he or she joins in the tasks ahead.

You are welcome to visit our classroom at any time. I can always use an extra pair of hands and another smiling face when I am working with the children. I am in need of helpers who can come on a regular schedule, whether weekly, biweekly, or monthly.

I believe that a good parent-teacher relationship is necessary for maximum school success. Throughout the year I will communicate with you through notes, telephone calls, weekly newsletters, report cards and parent-teacher conferences. I encourage you to contact me if you have any questions or concerns at any time. Please feel free to call my cell phone number is 617-733-3033, send me a note or email me at souheirzon@yahoo.com I'm looking forward to a wonderful year with you and your child.

Mrs Mond
