October 2008

## A BIG THANK YOU!

### EID MUBARAK!

First and foremost, please allow me to take this opportunity to wish you and your families a joyous Eid Al-Fitr.

May Allah (SWT) accept and reward all of your fasting, prayers, and remembrances, and grant us all the opportunity to witness another

I would like to thank all the parents and staff for their patience and support during my first month at IANE. Your help has been invaluable and highly appreciated.

Alhamdulillah, I am truly blessed to be working with such a dedicated team of teachers and parents.

Jazakum Allahu khairan for all your efforts.

### LANGUAGE ARTS

Insha'Allah, students will be placed into reading groups upon their return from Eid break, They will be exploring the different genres of literature all while learning about the elements of a story such as setting, characters, plot, and theme.

As for writing, students will continue learning the parts of speech and soon learn about subjects and predicates. This will help them improve their sentence structure and make their writing much stronger.

Also, please note that depending on the combined homework assigned for the week, spelling words will now be between 15-20 words per week.

## MATHEMATICS

Third grade has been strengthening their mental math skills with their daily 5-minute math drills. They have also been working on place value as well as addition and

subtraction word problems. We will continue to practice using bars to help students solve mathematical statements with pictorial models, thus enhancing both their comprehension and computational skills.

## SCIENCE & SOCIAL STUDIES

Now that third grade has learned about organisms and where they live, we will now begin to read about humans in the ecosystem. We will discuss how humans affect

the environment and go over ways in which we can take care of the earth. We will also be doing some fun hands-on activities outside! As

for social studies, students will soon be tested on "What is a community?" After that, we will continue to explore the theme of communities as we learn about the differences between rural, urban, and suburban communities.

Students will be doing many arts and crafts activities so it will be very fun, insha'Allah.

## REMINDERS

While 3<sup>rd</sup> grade girls aren't required to wear hijab, we do encourage them to have it on during prayers. Please remind your lovely daughters to bring it in with them every day.

## UPCOMING EVENTS

- ❖ Monday, October 6: School Resumes
- ❖ Friday, October 10: Curriculum Night
