

MATH AND SCIENCE

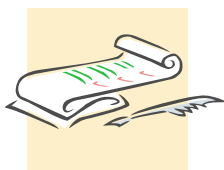

Welcome back

Assalmu alikum parents & students,

First, I ask Allah Subhanh Watala to accept our fasting and praying during the month of Ramadan and Happy Eid. As you all know I am teaching Math and science for both fourth and fifth Grades.

I'm looking forward to a very successful year and I know you are too. I have high expectation for your child and will be that I can to help your child achieve those expectations. I would like to see an academically strong and enjoyable year for all students. Through student, parents, and teacher all students should succeed In shaa Allah.

Wish list:

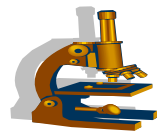

- Paper towel and Kleenex
- Magic Markers
- Air Fresheners and refills
- Construction papers
- Sanitizers
- Pencils and erasers

Mathematics

Grade 4: Alhamdulillah we have finished studying Numbers to 100,000, Rounding off numbers, Factors, multiples and multiplication by 1-digit number

Grade 5: We have finished whole numbers (place value, approximation and estimation, multiplying by thousands, dividing by thousands, order of operations and multiplying by 2- digit numbers

Science

Grade 4: We have finished learning about the World of Living Things, how organisms live and grow and Ecosystems. In Shaa Allah in the next few weeks we will be learning about Earth Sciences

Grade 5: We also finished studying about animal cells and plant cells, structure of tissues, organs and organ systems. We learned about populations and Ecosystems. Inshaa Allah we will be learning about earth science as well in the next few weeks.
