Assalamu alaikum w.b.

Dear Respected Parents and Guardians,

Ramadan Mubarak and, inshaAllah, this finds you and your family in the best of health and highest iman.

We are indeed blessed to have this opportunity to welcome you and your children to a brand new year of learning full of exciting possibilities at the Islamic Academy of New England. With the holy month of Ramadan upon us, we start the year with renewed intentions and our entire faculty eagerly looks forward towards helping our students build upon their current successes and endeavor to strengthen our bond with all our families.

This 2010-11 academic year also marks our first year of operation as an accredited institution with the New England Association of Schools and Colleges (NEASC). We could not have achieved this milestone without the significant efforts of our entire school community from our beautiful students, our dedicated staff, our committed governing bodies and your strong support of our school's mission and vision. Alhamdulillah. We count on your partnership to push our school further towards a path of continuous improvement and achievement, inshaAllah.

To each and every parent, I extend my sincere gratitude for entrusting the Islamic Academy of New England with the education of your child(ren). May Allah swt strengthen our taqwa and grant our students and us success in both dunia and akhirah. Ameen.

Wassalam,
