You Are Invited!!

IANE-ANA “Family Social Night”
5-8pm, Sat, 3/20/10
@ Al-Noor Academy, Mansfield

Our PTO extends a warm invite to all IANE and ANA students, families, faculty and governing bodies to an evening of food, fun, games and school community bonding.

We are all excited at this wonderful opportunity for all parents, students and school to informally come together and get to know each other. InshaAllah this will be a good start to greater things as we pool our resources and efforts together towards a common shared vision.

We look forward to seeing you this tomorrow!
Jazakum Allahu Khairan.

Science Fair Day
Thursday, April 1st

Parent Viewing from 1.30 - 2.30pm

As you may have noticed, all our students have begun working on their Science Fair projects as part of their Science lesson. Our 3rd, 4th and 5th grade students are challenged a little further as they are also required to present their completed works to a designated Science Fair judge on April 1st. Parents are welcomed to visit the school and view our students' exciting projects on this day between 1.30 to 2.30pm.

Couple of Reminders:

(i) 2010-11 Pre-Registration

Do take advantage of the early registration discount and complete all registration papers immediately! This special incentive will end on March 31st, so don't delay! Open Registration begins on April 1st and enrollment of a class closes as soon as it reaches full capacity so do register your child today to avoid disappointment!

(ii) Spring is almost here!

As the days are getting warmer, children may sport a lighter jacket for greater comfort. Additionally, kindly note that sunscreen or insect repellent should be applied from home.
