School Improvements

We are pleased to highlight that the Islamic Center of New England (ICNE) has worked hard towards improving the safety of the school grounds for students, parents and community.

As you may have noticed, gates have been placed at the top of the hill and next to the basketball court to prevent vehicles from driving to the front of the 84 Chase building. These gates will be opened only on Friday for Juma'ah prayers, and during days of inclement weather.

Also, signs will be posted soon to remind all drivers to "Slow Down" when they drive up and down Chase Drive as the area is a designated school zone. Please remember that the state law's speed limit for school zone is 15mph!

We thank ICNE for its initiatives and urge all our families to join its membership.
Jazakum Allahu Khairan.

Wassalam,
Sr Nur'Izzah Khalil
Acting Principal
