Accreditation News

We are pleased to announce the official status of both the Islamic Academy of New England and Al-Noor Academy as "recognized candidates" for accreditation by the New England Association of Schools and Colleges - NEASC www.neasc.org .

This status of "Candidacy" indicates that both our schools are progressing steadily and diligently toward the accreditation standards set-out by NEASC. Once a school has achieved this candidacy status, it has five years within which to complete its self-study process and gain full accreditation.

Both IANE and ANA are presently actively engaged in this self-study process which we aim to complete by next November, 2009, inshaAllah. To this end, we appreciate all parents and guardians cooperation on any survey or feedback forms which you may be requested to complete in these coming months to help us succeed in this accreditation effort.

Jazakum Allahu Khairan.

Progress Report - Term II

Our students will be receiving their Progress Report for this second term of school next Wednesday, 12/24, inshaAllah. Upon receipt, please review the reports carefully with your children to encourage areas of strengths and address areas where improvements are necessary.

Children's Safety Zone

Please be reminded that the paved areas immediately in front of our school buildings at 84 Chase and 86 Chase are regulated as "Children's Safety Zone".

No cars are allowed to park or drive-up to the front doors of both buildings unless there is visible ice, heavy snow or heavy rain. On such days, you will see a staff directing traffic to maintain order.

For the safety of our children, please help us and follow these rules everyday. JAK.
