"Reading Street" Our New Language Arts Curriculum

We are pleased to share the news that IANE's new Pearson's "Reading Street" Language Arts Curriculum has arrived!

"Reading Street" is the current language program in placed in reputable public schools like Walpole and Mansfield.

Our teachers will receive formal training in the next two weeks and implementation will start on Monday, 3/23 in our Grades 1, 2 and 3.

Full implementation in other grades (Kindergarten, 4th and 5th) will commence at the start of our next school year.

We warmly invite you to explore the samples of textbooks and workbooks at our 86 Chase building. As the financial investment in this new curriculum is rather significant - averaging \$5000 per grade - we welcome any donations made towards supporting this initiative and we thank you in advance for your generous contributions.

Jazakum Allahu Khairan,
Sr Nur'Izzah Khalil
Acting Principal

Animals Everywhere !

Lizards, snakes, tarantulas, and even a tortoise were seen crawling around IANE this past Wednesday! But, don't worry, our students were so thrilled to see these animals up close as part of our first-ever Reptile Show, courtesy of our PTO's hard work! We extend special thanks to Sr Eman Mahin for organizing such excitement into our life at school. Parents who would like to actively support Sr Eman at organizing future PTO-led events may contact her directly at mannoush@msn.com.

"Box Tops" Winning Class - Kindergarten !

Congratulations to all our Kindergarten students for coming in first in our school's "Box Tops" contest and collecting over 539 cut-outs. IANE students collected a total of 1,788 Box Tops which translated to \$268 raised thus far, alhamdulillah. Please continue to cut-out those Box Tops and bring them to school!
