A Successful Science Fair!

We are so proud of all our students, from the First through the Fifth Grades, for their hard work and successful completion of their science projects this week. Our Science Fair Day went very well this past Wednesday and each class had a chance to view projects in every other grade.

We would like to express sincere gratitude to our two honorable judges, Sr Siham Yagoubi and Br Khaled Attia for their kind words of encouragement and for spending time to grade our Third through Fifth Grade students' projects.

We, also, would like to thank all parents and teachers for guiding our students through the entire process. InshaAllah our students will benefit from this experience and continue their progress well into the future.

Jazakum Allahu Khairan,
Sr Nur'Izzah Khalil
Acting Principal

Safety Signs

We are pleased to share the news that ICNE has already begun work to install gates next to the basketball court and at the top of the hill to prevent cars from driving-up to the front of the 84 Chase school building. Additionally, signs will be posted to remind all drivers to reduce their speed within the school zone. We thank ICNE for their initiatives towards making safety a priority for our children and community, alhamdulillah.

Spelling Bee

Our students will start working on their Spelling Bee words beginning next Monday, 3/30, inshaAllah. The contest proper will be held on Wednesday, 4/29 and all students have equal opportunity to enter, so do look-out for the Spelling Bee word list!

Your Dua'a, please.

Our beloved teacher, Sr Asma Shaqrah, has to take an indefinite leave of absence to care for her youngest child, Sajed Assaf who needs our continuous dua'a. In the interim, Sr Hana Mustafa will be covering for Arabic and Sr Nargess Obeid will be doing Quran classes, inshaAllah.

We thank you for your kind support and patience.
