“Voucher Program” Offer 2009-10 Academic Year

IANE is pleased to announce its participation in the Department of Early Education (EEC)'s “Voucher Program” to benefit families of children entering our Pre-School and Kindergarten classes. Please check-out the attached flyer for further details on how you, or someone you know, may be eligible to participate in this state subsidized child care.

Open Registration for 2009-10

We continue to urge all parents to enroll their children immediately as registration is now on first-come-first-served basis and enrollment of a class will close as soon as it is filled to capacity.

Do complete your child's registration early to avoid any disappointment!

Your Dua'a, please.

Please join us in making dua for the family of two of our students, Laila (1st Gr) and Raad (2nd Gr) Altanbour as they recently lost their beloved paternal grandfather. “Inna lillahi wa inna elaihi la ra ji uan”.

May Allah have mercy on the departed, and grant the family patience in their time of bereavement.

Fourth Grade Welcomed Milton Academy

All of our fourth graders had an enriching learning experience yesterday when they played hosts to their counterparts from Milton Academy.

Over the years, this annual student exchange program has tremendously benefited students from both schools on so many levels beyond mere academia. Our children, in turn, will visit their new friends from Milton Academy next Thursday, 5/28 and we extend a warm invite to interested parents to join us on the trip as we continue on this inter-faith tradition.
