Students' Health Records

In compliance with Massachusetts School Health system, IANE has distributed and sent home yesterday a standard health packet to all parents and guardians. Kindly forward this form to your child(ren)'s physician and, upon completion, please return the same to us for our safe records. Any subsequent health updates must be submitted our office to help us ensure that proper health care and attention is given to your child(ren) at all times, inshaAllah.

2008 CAT Test Scores

Alhamdulillah, we've received the CAT Test results and students' individual scores are in the mail today. Please contact the office if you're not in receipt of the scores by the end of next week. All parents are advised to review the results carefully and encourage their children's strengths and help support them in areas where improvements are necessary. JAK.
