

Islamic Academy of New England

Dear Kindergarten Parents,
Assalamu Alykum.

Welcome to IANE's Kindergarten community!

We are looking forward to sharing in your child's development during the exciting year that lies ahead.

My name is Ms Souheir Al Mousa and I am going to be your child's Kindergarten teacher. I have been working at IANE for the past 16 years and I am so happy to have your child in my class!

Even though I am having a fantastic summer with my family, I am very excited for school to begin because I know that I will have a great time with your child!

This year I will spend time encouraging positive social interactions among the students and helping them to become more independent during the school year. Kindergarten is a year of growing socially, emotionally, physically, and intellectually.

We cannot wait to meet you and your child at a special orientation on Thursday, August 23rd from 4-5 pm. We will share an activity, and a story. Our hope is that this opportunity will ease the transition from home to school.

Thank you,

Ms Souheir
